**DATE:** December 10, 2024

**MEMO TO:** The Foothills Board of Directors

**FROM:** Ronald Hopp, Executive Director

**SUBJECT:** 2025 Budget

The 2025 proposed budget was prepared by staff and presented to the Board at the October 22<sup>nd</sup> and November 12<sup>th</sup> board meetings. Since these presentations, items which will have a financial impact to the District in 2025 were added or changed in the final 2025 budget.

The most significant changes from the initial proposed budget to the final budget relate to the 2021 COP projects, the Easton Regional Park ball diamond project, the Dutch Creek Trail extension and other capital expenditures being carried forward to the 2025 budget year. We have added a carry-over of \$949,308 for the 2021 COP projects funded by proceeds from the 2021 COPs, \$387,539 for Easton Regional Park projects funded by unspent mill levy funds, and \$5,414,933 for parking lot replacements, phase 3 energy conservation projects and other capital repair and replacement expenditures funded by unspent 2024 capital funds. In addition to the changes related to ongoing capital projects and equipment acquisitions, we have added \$3,000,000 of carry forward funds to the budget funded by a portion of our expected favorable budget performance in 2024 to fund additional future capital projects.

The budget was also updated for all other known changes including: increased property tax revenue due to final assessed valuations; changes in estimated assessments for irrigation water rights; increased County Treasurer's fees related to the change in property tax collections; increased purchased services and supplies for various operating needs including software to assist with making documents digitally accessible and actual insurance premiums for our property & liability insurance policy. The final 2025 budget is balanced with total revenues and expenditures of \$48,314,947. Staff is requesting formal (and final) approval of the budget as submitted.

Once approved by the Board, the budget information will be submitted to Jefferson County and the State of Colorado. Resolutions included in the board packet meet the statutory requirements for adoption of a budget, appropriation of funds, and certification of the mill levy for the 2024 tax year, which will be collected during 2025. Those resolution numbers are as follows:

**Resolution No. 24-007:** Adopting the 2025 Budget for the Foothills Park & Recreation District

**Resolution No. 24-008:** Appropriating the 2025 Budget for the Foothills Park & Recreation District

**Resolution No. 24-009:** Resolution Levying Property Taxes for the Foothills Park & Recreation District for Budget year 2025.

A public notice has been published in the Jeffco Transcript indicating that the 2025 Proposed Budget is open for public inspection during business hours, it will be reviewed at the October 22<sup>nd</sup> and November 12<sup>th</sup> board meetings, and that a public hearing on the budget scheduled for December 10<sup>th</sup>. At the December 10<sup>th</sup> meeting the Chair should open the public hearing and take comments from citizens on the 2025 Budget. The public hearing should then be closed prior to taking action on the aforementioned resolutions.

**MOTION:** I move that the Foothills Board of Directors approve Resolution No. 24-007 to Adopt the 2025 Budget for the Foothills Park & Recreation District; Resolution No. 24-008 to appropriate the 2025 Budget for the Foothills Park & Recreation District; and Resolution No. 24-009 to Levy 2025 property taxes for Foothills Park & Recreation District.

Phillip Trimble, Chair  
Members of the Foothills Board of Directors  
6612 S. Ward Street  
Littleton, Colorado 80127

Dear Director Trimble, Chair; and Members of the Board,

Attached is the staff submittal of the Foothills Park & Recreation District budget for the 2025 calendar year. The submitted budget is balanced as required by law, with revenues and expenditures of \$38,563,325, and is subject to any adjustments or changes that may come up during our discussion process.

This budget includes \$3,575,213 for debt service, \$6,315,591 for capital projects and equipment, \$384,290 for Grant and other expenditures and \$28,288,231 for operating expenditures. Sources of funds include \$16,257,081 from property taxes, \$33,080 from reserves carried over to the 2025 budget year for Red, White & You, \$1,604,252 from lottery and specific ownership taxes, \$20,112,309 from program and facility fees and charges, and \$556,603 from grants and investment income.

Total Revenues and Total Expenditures decreased \$16,021,531, or 29% compared to the 2024 budget. The decrease was primarily related to carry-forward funds and grant funds of approximately \$17,060,000 included in the 2024 budget for the 2021 COP construction projects and other capital projects and equipment purchases carried forward from 2023.

Total Operating Revenues increased \$888,923 driven by higher expected revenue from admission fees, rentals and merchandise sales in Golf due to an increase in participation in the sport that has been seen over the last several years, higher admission fees in Children's Programs, Fitness and Aquatics.

Total Operating Expenditures increased by \$1,557,201, or 5.83% due to the following: \$981,895 increase in Salaries and Wages due to the addition of three new full-time positions, a planned merit wage increases of between 3% and 5% for our full-time employees and an increase in part time wages related to adjustments to the pay scale to bring starting pay rates above the 2025

anticipated Colorado minimum wage; \$273,549 increase in Personnel due to headcount additions, increased medical/dental and worker's compensation insurance premiums and higher social security taxes due to the increase in wages; \$187,951 increase in Supplies due to increased planned supply purchases for landscape and irrigation supplies and an increase in planned tree replacement expenditures for the year; \$6,384 increase in Purchased Services related to increased credit card processing fees and higher cost of providing sports officials, partially offset by lower planned election expenditures; \$33,546 increase in Utilities driven by an increase in estimated water use versus the 2024 budget.

The proposed 2025 budget includes various moderate fee increases throughout the District. The services provided through this budget include park and recreation services offered through established facilities and programs as defined in the District's "Statement of Purpose". The proposed budget provides for the maintenance and operation of existing program levels and facilities and limited capital replacement and improvements. This budget includes \$6,315,591 of capital project and equipment spending funded from operations, including the Golf Development and Improvement Fund. The budgeted capital spending funded by operations represents a significant portion of the amount needed to maintain and replace the District's park infrastructure, buildings, equipment and golf courses, however, the District maintains many aging properties and the funding will not address all of the District's maintenance, repair and capital needs.

The District uses a modified accrual budgetary basis of accounting for the budget. The District's single enterprise fund encompasses all aspects of daily operations, as well as certain debt obligations. All assets and liabilities are included on the annual audited balance sheet. Total Net Position is segregated into Invested in Capital Assets Net of Related Debt, Restricted and Unrestricted Net Position. The Budget format includes four separate departments: Parks, Recreation, Golf and Administration. Combined, the four operating departments and other fund categories including Conservation Trust, Debt Service, Capital Projects, Grants and the Golf Development and Improvement Fund, comprise the Foothills Park & Recreation District Enterprise Fund.

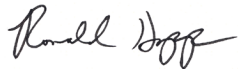

The District's assessed valuation is organized according to various sub-districts. Please note the budget document includes an assessed value and a mill levy for the Regular Foothills District (located near the intersection of 6<sup>th</sup> Avenue and Indiana Street, just north of Green Mountain); for Sub-District "A" (located primarily within the District's contiguous boundaries); and Sub-District "B" (which includes the Kipling Villas area and the improvements approved in 2002). Our mill levy for the **Sub-District "A"** portion of the District is estimated to be 9.482 in 2025. The levy for the Regular District will be 6.829 mills and the levy for the Kipling Villas area (Sub-District B) will be 8.406 mills. It is important to note, the Kipling Villas area is included in both Sub-District "A" and "B" and therefore pays the combined mill levy. Each of these mill levies is based on the prior year report of assessed value from the Jefferson County Assessor and will be updated when the final 2024 report of assessed value is received from the Assessor's office.

Overall, the Jefferson County and District economy is relatively strong, and the area has experienced some modest growth (home and commercial building). In recent years, the District has experienced growth in Golf, Children's Programs, at the Edge Ice Arena, in Adult and Youth Sports programs, and at the Foothills Fieldhouse.

Because of our heavy dependence on fee revenues, the District could be faced with the challenge of service demands beyond our financial capabilities in the future. Our financial projections indicate that we will be able to fund our operations in full through the remainder of the nine-year sunset period of the 2017 2.75 mill levy increase, but we project significant and growing operational deficits beyond the sunset period due to inflationary pressures and increasing costs of remaining deferred capital improvements. Without the passage of an extension of the mill-levy, or the identification of significant additional revenue sources, the District may be forced to implement reductions in services in future years. As a result, the District is conducting a mill levy election in 2024 to ask the residents of the District to vote to extend the mill levy beyond 2026.

I would like to thank the District Finance staff, our management team and staff throughout the District for their assistance in preparing this year's budget. Through their efforts, the budget has been prepared conservatively and with a view toward cost containment and efficient use of our limited available resources.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ronald Hopp".

Ronald Hopp, Executive Director  
Foothills Park & Recreation District

## Long Term Debt

### Certificates of Participation

These certificates are payable from annually appropriated base rentals and any purchase price option paid by the District under the financing lease. The District's obligation under the financing lease expires if the Board fails to specifically appropriate funds to pay all the base rentals and any reasonably estimated additional rentals for the next renewal term.

### 2013 Certificates of Participation

In May 2013, the District issued \$9,300,000 Certificates of Participation (COPs). These certificates were issued to refinance COPs issued in 2002 and 2004. The originally issued Certificates of Participation financed the construction of a new ice arena and an indoor sports arena, and the remodel of a recreation center. These certificates mature between 2013 and 2028 and carry interest rates between 2.0% and 4.0% due semiannually.

The debt service requirements of the 2013 COPs are as follows:

<u>Year Ended December 31,</u>	<u>Total Interest and Principal</u>
2025	\$ 431,125
2026	436,975
2027	1,514,175
2028	<u>1,517,775</u>
<b>Total</b>	<b><u>\$ 3,900,050</u></b>

### 2015 Certificates of Participation

In December 2015, the District issued \$11,055,000 Certificates of Participation (COPs). These certificates were issued to refinance COPs issued in 2006. The originally issued Certificates of Participation were issued to refinance a portion of COPs issued in 2002 to relieve the payment demands until revenue from the new ice rink established the anticipated growth in revenues. These certificates mature between 2016 and 2032 and carry interest rates between 2.0% and 5.0% due semiannually.

The debt service requirements of the 2015 COPs are as follows:

<u>Year Ended December 31,</u>	<u>Total Interest and Principal</u>
2025	\$ 973,688
2026	969,937
2027	229,688
Thereafter	<u>5,853,625</u>
<b>Total</b>	<b><u>\$ 8,026,938</u></b>

**2021 Certificates of Participation**

In September 2021, the District issued \$29,470,000 Certificates of Participation (COPs). These certificates were issued to finance the replacement of the Foothills Golf Course Clubhouse, renovations at Columbine West and 6<sup>th</sup> Avenue West Pools, a second phase of energy conservation projects throughout most District facilities, and an extension of the Dutch Creek Trail. These certificates mature between 2022 and 2041 and carry an interest rate of 4.0% due semiannually.

The debt service requirements of the 2021 COPs are as follows:

<b><u>Year Ended December 31,</u></b>	<b><u>Total Interest and Principal</u></b>
2025	\$ 2,170,400
2026	2,170,800
